The following is to help improve the Redondo Beach Art Group. We are comprised of people from all walks of life with many skills. We hope that you would like to share it with us. As a community we can grow and have a formidable impact with our art. We are involved with several outreach programs aiming to help people live better lives and help to express their lives with their art. Thank you for your time and talents.

**\*\*Important\*\***In order to participate in shows, all artist members must agree to actively join by March 31 of the year, and attend at least 4 meetings/workshops. Artists agree to take part in activities and/or committees throughout the year to help RBAG stay vibrant and functional. These can be ongoing commitments or short term activities. Please indicate below as to your interests. You can put your name in more than one category. Ideally several people could help in the same category. Artists who wish to show art in our shows must also attend meetings/workshops and help at the shows. Each active artist who wishes to be in a show must either host or lead an activity or workshop during the year. Artists may team up to host or lead an activity or workshop.

Sponsor members will be listed on our website and show publications. These members are financially helping RBAG promote guest artists at our meetings, help finance shows, and expanding the visibility of art in the community.

A friend member is one who would like to support us but is not required to be an active member and does not participate in RBAG shows.
